Kindergarten Enrichment Program

Who: students eligible to attend Kindergarten the following school year

What: a program that focuses on core learning and development skills needed for kindergarten.

When: two Friday's a month from 1-2pm (dates to be determined)

Where: at SOTG

Why: to give students more opportunities to work in a smaller group with same age peers on kindergarten preparedness skills. Spots are limited to 10 students and are first come first serve.

Other details:

Cost: \$30 a month for September through May

Payments will be added onto your monthly bill for those on monthly payment plans.

For Annually or Bi-annually payment options, the cost will be added as a lump sum or a semi-payment respectively.

Please detach bottom portion and submit at the time of registration or with welcome packet information this summer. Keep top portion for your records.
